

# JJ's Jam LEVEL UP!

SUMMER PROGRAM

**PROS** **PROS** **PROS** **PROS** **PROS** **PROS** **PROS** **PROS**

Our Pros program is designed for those entering grades 3 through age 12 at our St. Anthony location! This program offers many of the same great benefits of JJ's Jam, including great staff, great food, great friends, and more! On top of the water parks, nature centers, and on-site programs, there is plenty more for this group to do! This year, we have two separate age groups in our Pros program. The first group will be for children entering grades 3 & 4. The second group will be for children entering grades 5 through age twelve.

The Pros Program offers a wealth of opportunities to develop personal and social skills, become self-reliant & resourceful, and boost children's confidence as they prepare to enter middle school & beyond. From graphic design to leadership building skills to escape rooms, children will be busy all summer long!

**Registration is limited. Do not wait — Register Now!**

**PROS**

Entering 3<sup>rd</sup> & 4<sup>th</sup> Grade  
(Fall of 2024)

Our 3<sup>rd</sup> and 4<sup>th</sup> graders will join our Pros program and get to explore even more of Minnesota! They will learn the skills of graphic design, font design, archery, kayaking, logrolling and more as they explore the Twin Cities. In addition, they will still attend field trips with the main program, including waterparks, sports programs, museums, art lessons, ninja gyms, and more throughout the summer.

**PROS+**

Entering 5<sup>th</sup> Grade – Age 12  
(Fall of 2024)

Our oldest campers will attend the same field trips as the younger Pros, but with additional opportunities and programming both on and off site. They will build independence and self help skills while delving deeper into programming for art, makerspace, sports, field trips, and more. From hours long games of Settlers of Catan to chess theory to 3D printing to paddleboarding to trying the foods of the Minnesota State Fair, they will have the freedom to dive into their interests throughout the summer!

# SAMPLE CALENDAR

# 2024

Please see below for a sample of what a week of programming looks like in the Pros Program at JJ's Jam. A full calendar will be released in March and will be subject to change.

# FEATURED FIELD TRIPS & ACTIVITIES

## Water Parks

Exclusive use of Battle Creek Water Park, Bunker Beach, Maple Grove Community Center and many more waterparks and splash pads throughout the summer!

## Art, Art, Art

From our theater workshop to our own art program to art out in the world on field trips, we will create all summer long and showcase it at our end-of-year art program!

## Annual Family Picnic at Huset Park

Picnic at Huset Park: Children & families can enjoy a picnic lunch, bouncy house, splash pad, and more!

## Can You Escape?

We will visit PuzzleWorks for an escape room this summer and have mobile escape rooms visit our rooms for a 200+ square foot escape room here at JJ's Jam!

## Pushing Ourselves to Our Limits

Through our sports program to rock climbing to logrolling to Ninjas United, we will see just how far we can go! We will also try out a variety of sports throughout the summer!

## America's Pastime at the Park!

We will visit Target Field for a Twins game and CHS Field for a Saints Game this summer!

## Minnesota State Fair

We will venture to the Great Minnesota Get Together for a day of fun including good food, good friends, and more!

## Kayaking, Logrolling & Paddleboarding

We will practice our balance and paddling out on the water with a variety of water sports!

## Graphic Design

We will work with local graphic designers to learn about graphic design before designing our own masterpieces for everyone to see!

## Top Golf

We will play games, hit golf balls, and enjoy lunch at Top Golf!

# THE SAME GREAT JJ'S JAM

## All-inclusive!

Children in the Pros program will still partake in the art, sports, and makerspace programs, but with unique curriculum designed for their age.

## Familiar Faces!

Experienced & trained staff who your children have known for years!

## Same Great Facilities

A dedicated room for those grades 3 & up along with a playground.

## Fully Licensed

Childcare with a commercial kitchen.

## One Consistent Drop Off!

The same place to drop off and pick up for all activities throughout the summer.

## Billing & Registration

Billing, registration, and your main contacts stay the same!

# WHAT'S NEW & DIFFERENT?

## Same Programs, Age-Appropriate Programming

Children in the Pros program will still partake in the art, sports, and makerspace programs, but with unique curriculum designed for their age.

## Unique Field-Trips

Children go on additional field trips throughout the summer, that are age-appropriate and allow them to explore their interests in a variety of areas from art to physical movement to history. They still attend many of the field trips of our K-2 program, including the waterparks, ninja gyms, and more.

## Additional On-Site Opportunities

We partner with local artists in the community throughout the summer, including introduction to skills like graphic design that allows the children to turn their creations into shirts, trading cards, and more.

## More Freedom!

Children are still in a licensed, safe environment under adult supervision, but are given greater freedom on and off site to explore interests and build independence as they prepare for middle school & beyond.
