# SCHOOL AGE PROGRAMS

JJ's Jam is for children Kindergarten - 6th Grade

We offer:

- Before School Care
- After School Care
- Early Release Care
- School Release Care (Field Trips!)
- Half Day Kindergarten Enrichment Program

## SCHOOL RELEASE DAYS

School Release days coincide with the schedule of the area schools. Release days include a full day of fun and learning with frequent field trips to a variety of destinations. Monthly updates will announce field trips & special events. Please see the back of this flier for days that your school is not in session.

## HALF DAY KINDERGARTEN ENRICHMENT

Our K-Care program is a great way to reinforce your child's learning! We build on the kindergarten curriculum of your child's school to enhance their learning experience.

Let them enjoy exercise, music, story time, artwork, games, classroom work review and much more. Our program is developed by licensed kindergarten teachers who have created curriculum specific to the needs of half-day kindergartners.

## AFTER SCHOOL CARE

Grab your Passport to learning and let's get moving! Get ready for the ultimate world tour.

Each month our after school program will travel to a new part of the world. We will learn about what makes each region of the world unique. Learning will take place as we cook cultural foods, learn about the arts, focus on the people, and inspect the land of the regions. Make sure you pack light and leave room in your suitcase for all of the learning you will pick up along the way.
